In Our Air-Conditioned Gallery.....

Our expansion program announced last year is now completed and going ahead full swing.

In keeping with the current trend towards comfort and convenience, we take pleasure in announcing that we will conduct coin auction sales throughout the year including the months of July and August in our new, modern air conditioned gallery.

We have had many requests to hold summer sales and are planning a mammoth sale for the month of August to give the visitors to New York an opportunity to view an active Public Auction sale of coins.

Collectors desiring to dispose of their duplicates or contemplating selling their collection would do well to write now. We anticipate a tremendous attendance for the above mentioned August sale. Very reasonable commission rates for the above sale. Interested parties, write now.
